Disinvestment of PSUs

1981. SHRI PREM CHAND GUPTA: Will the Minister of DISINVESTMENT be pleased to state:

(a) whether it is a fact that Government are working towards completing the on-going disinvestment in various PSUs within the next four months; and

(b) if so, the names of PSUs in the process and the expected period by which the disinvestment process would be completed?

THE MINISTER OF DISINVESTMENT (SHRI ARUN SHOURIE): (a) No, Sir. Disinvestment is an ongoing process.

(b) The list of Public Sector Undertakings (PSUs) in which disinvestment is in progress is given in the Statement. (*See* below) Implementation of the disinvestment programme depends on a variety of factors including market conditions, industry-wise business cycle fluctuations, interests of the prospective bidders and the adequacy of the price bid. Moreover, Government does not sell its equity holding in distress. In view of this, it is not possible to identify, in each case, by when the disinvestment process will be completed, thought all efforts are made to implement disinvestment decisions as expeditiously as possible.
